Think beauty.
Think functionality.
Think benchtops.

Choose between two beautiful surfaces

Think Solid Surface

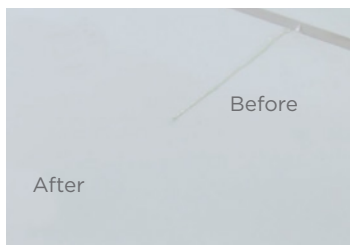

Think Solid Surface offers a distinct design and differ significantly from stone benchtops. Firstly, they are not as hard as stone benchtops, which reduces the risk of edge chipping and ensures complete repairability and renewability within your home, even in the event of scratches or accidental damage. Another notable contrast is the seamless joins* of Think Solid Surface, which are undetectable to the touch, providing a smooth and continuous surface. Also, these benchtops are highly resistant to permanent stains and are crafted from natural minerals with absolutely ZERO Silica content.. They are an excellent choice for kitchen, bathroom, or laundry benchtop applications and every Think Solid Surface benchtop comes with a 7-year product warranty for your peace of mind.

* Seamless site joins are only available for custom made benchtops. DIY Site joins performed in the home will not be seamless.

Product Features

Renewable & repairable

Seamless join options

Stain resistant

Zero Silica

Interested in Solid Surface? See page 4 for details

Think Timber

Create a luxurious finish for any benchtop application. Think Timber provides a work surface that is warm and inviting to the touch, while its solid natural beauty will only be enhanced with age and wear. Being solid timber, it can be repaired, altered or re-finished at any time during its lifetime. Variations in colour, grain and knots can occur which adds to the character and uniqueness of your Think Timber™ benchtop.

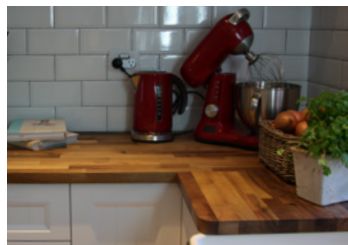

Product Features

32mm (+/- 1mm) solid thickness with 42mm wide staves

Custom made to your design or raw panel

Factory prepared joins that go together perfectly

Sourced from responsibly managed forests

Love the timber look? See page 6 for details

Think Solid Surface Benchtops

Colours

20mm or 38mm Edge Option

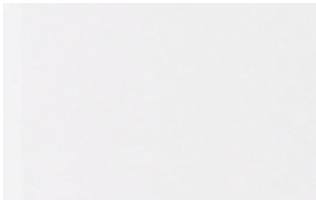

Vena Cloud* (B)

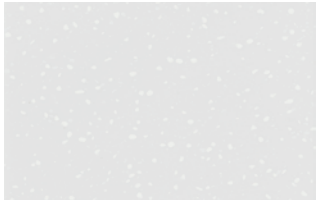

Vena Grigio** (B)

Vena Crème* (B)

Polar (A)

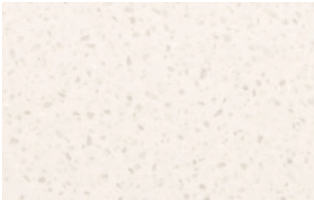

Frost (A)

Bianco (A)

*Vena Series colours have random veining that has a directional nature in the length of the sheet. Therefore a visual break in the pattern will be visible at each join.
 † Heavily grained patterns.

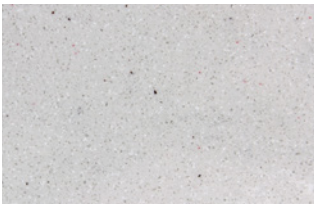

38mm Edge Option

Autumn (A)

Alpine (A)

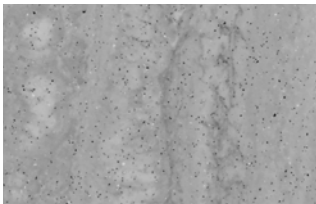

Vena Luna** (B)

Paloma (A)

Meringue (A)

Vena Storm* (B)

Colours shown are a representation only. Colours may vary from actual product. Please see a sample before making final colour selection.
 Darker colours marked require more care & attention to maintain their look.

Planning on Doing it Yourself?

There are two great options if you are installing your Think Timber benchtop yourself.

Think Timber Raw Panels

Think Timber raw panels are available in set sizes. They are supplied ready for your choice of DIY permanent sealing/finishing and installation. All Think Timber panels are required to be lightly sanded on all edges and sides before sealing with your choice of food safe water based polyurethane coating. A free cut to size service is available for Think Timber panels.

1 Choose your Think Timber Panel species and size

	2405x600x32mm*	2400x900x32mm*	3000x600x32mm*	3600x600x32mm*	3600x900x32mm*

^DIY Installation Kit - Will be customised to your order. These may include toggle bolts and Lamelo biscuits.	INCLUDED

Delivery

Your Think Timber™ benchtop module will normally be delivered to your Bunnings store within 4-7 working days. Exact lead time will depend on store location.

Calculating the m² of your custom made benchtop & splashback

By detailing your requirements on the planning grid on page 10, we will manufacture your Think Benchtop and/or Splashback exactly to your requirements. All custom made benchtops will be supplied with a factory prepared join and installation kit for all custom made DIY orders.

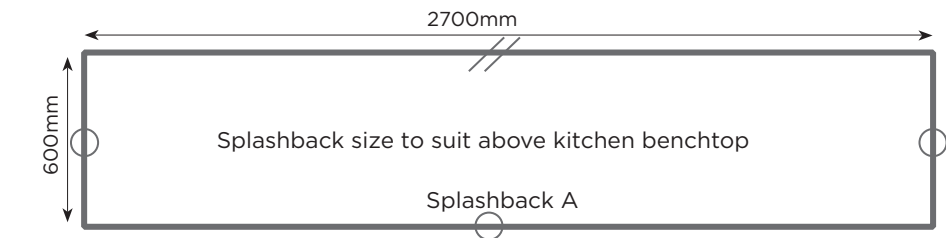

To calculate the m² it is best to section your benchtop as shown.

Benchtop Piece A	$1.8 \times 0.6 = 1.08 \text{ m}^2$
Benchtop Piece B	$1.2 \times 0.6 = 0.72 \text{ m}^2$
Benchtop Piece C	$1.8 \times 0.9 = 1.62 \text{ m}^2$
TOTAL BENCHTOP	<u>3.42 m²</u>

Think Solid Benchtop Price Example

Product	Price
20mm (A)	\$2,175.12
38mm (A)	\$2,561.60

Think Solid Splashback Price Example

Splashback Piece A	$2.7 \times 0.6 = 1.62 \text{ m}^2$
Product	Price
12mm (to suit 38mm benchtop)	\$910.44 (A)
20mm (to suit 20mm benchtop)	\$1,028.70 (A)

Receive an instant estimate using our Think Benchtop Calculator

IMPORTANT

Before ordering your Think Benchtop please download and follow the pre-order guide. **For the best result, it is important to get your measurements & all considerations correct before ordering.**

DIY Pre order checklist

- ☐ Download and read DIY pre-order check list.
- ☐ All your measurements have been checked twice.
- ☐ Check the position of your joins are correct.
- ☐ Check if your cabinets are level and need front vertical rails for spans greater than 800mm
- ☐ Check if your island benchtop overhang needs extra support.
- ☐ Check your cooktop / stove position is compliant.
- ☐ Check your grain direction is shown on your DIY plans for benchtops, waterfall ends and splashbacks, if applicable.
- ☐ If ordering a splashback, check you have allowed for expansions in your measurements and the distance from burners complies with gas standards (if applicable)

How to order

1. Download pre order checklist
2. Review installation instructions
3. Complete your order form
4. Place your order with the special orders desk

How It Works

It's as simple as 1,2,3! Follow the steps shown to order your benchtop. If you need further advice, speak to a team member at the Special Orders Desk in-store.

1. Select The Benchtop You Want

View the extensive range available in this brochure or online. Use the number shown below to order your product in-store.

Species	Item number
 European Oak (B)	2660844

Item number

2. Order Your Benchtop at the Special Orders Desk

After you have selected the product you want, fill out the Measure & Quote form that can be found in this brochure to complete an estimate. Take your form to the Special Orders desk to order and pay for your benchtop with your own measurements.

3. Get It Home

We Will Deliver

Delivery to your home or site can be arranged when purchasing your products.

Pick-Up In-Store

If you decide to pick-up in-store and need to get it home, you can:

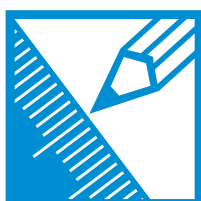

- Borrow a courtesy trailer
- Hire a vehicle

Check with your local Bunnings store for availability.
